

BOMBAY BEACH BIENNALE

WELCOME TO THE BOMBAY BEACH BIENNALE 2023

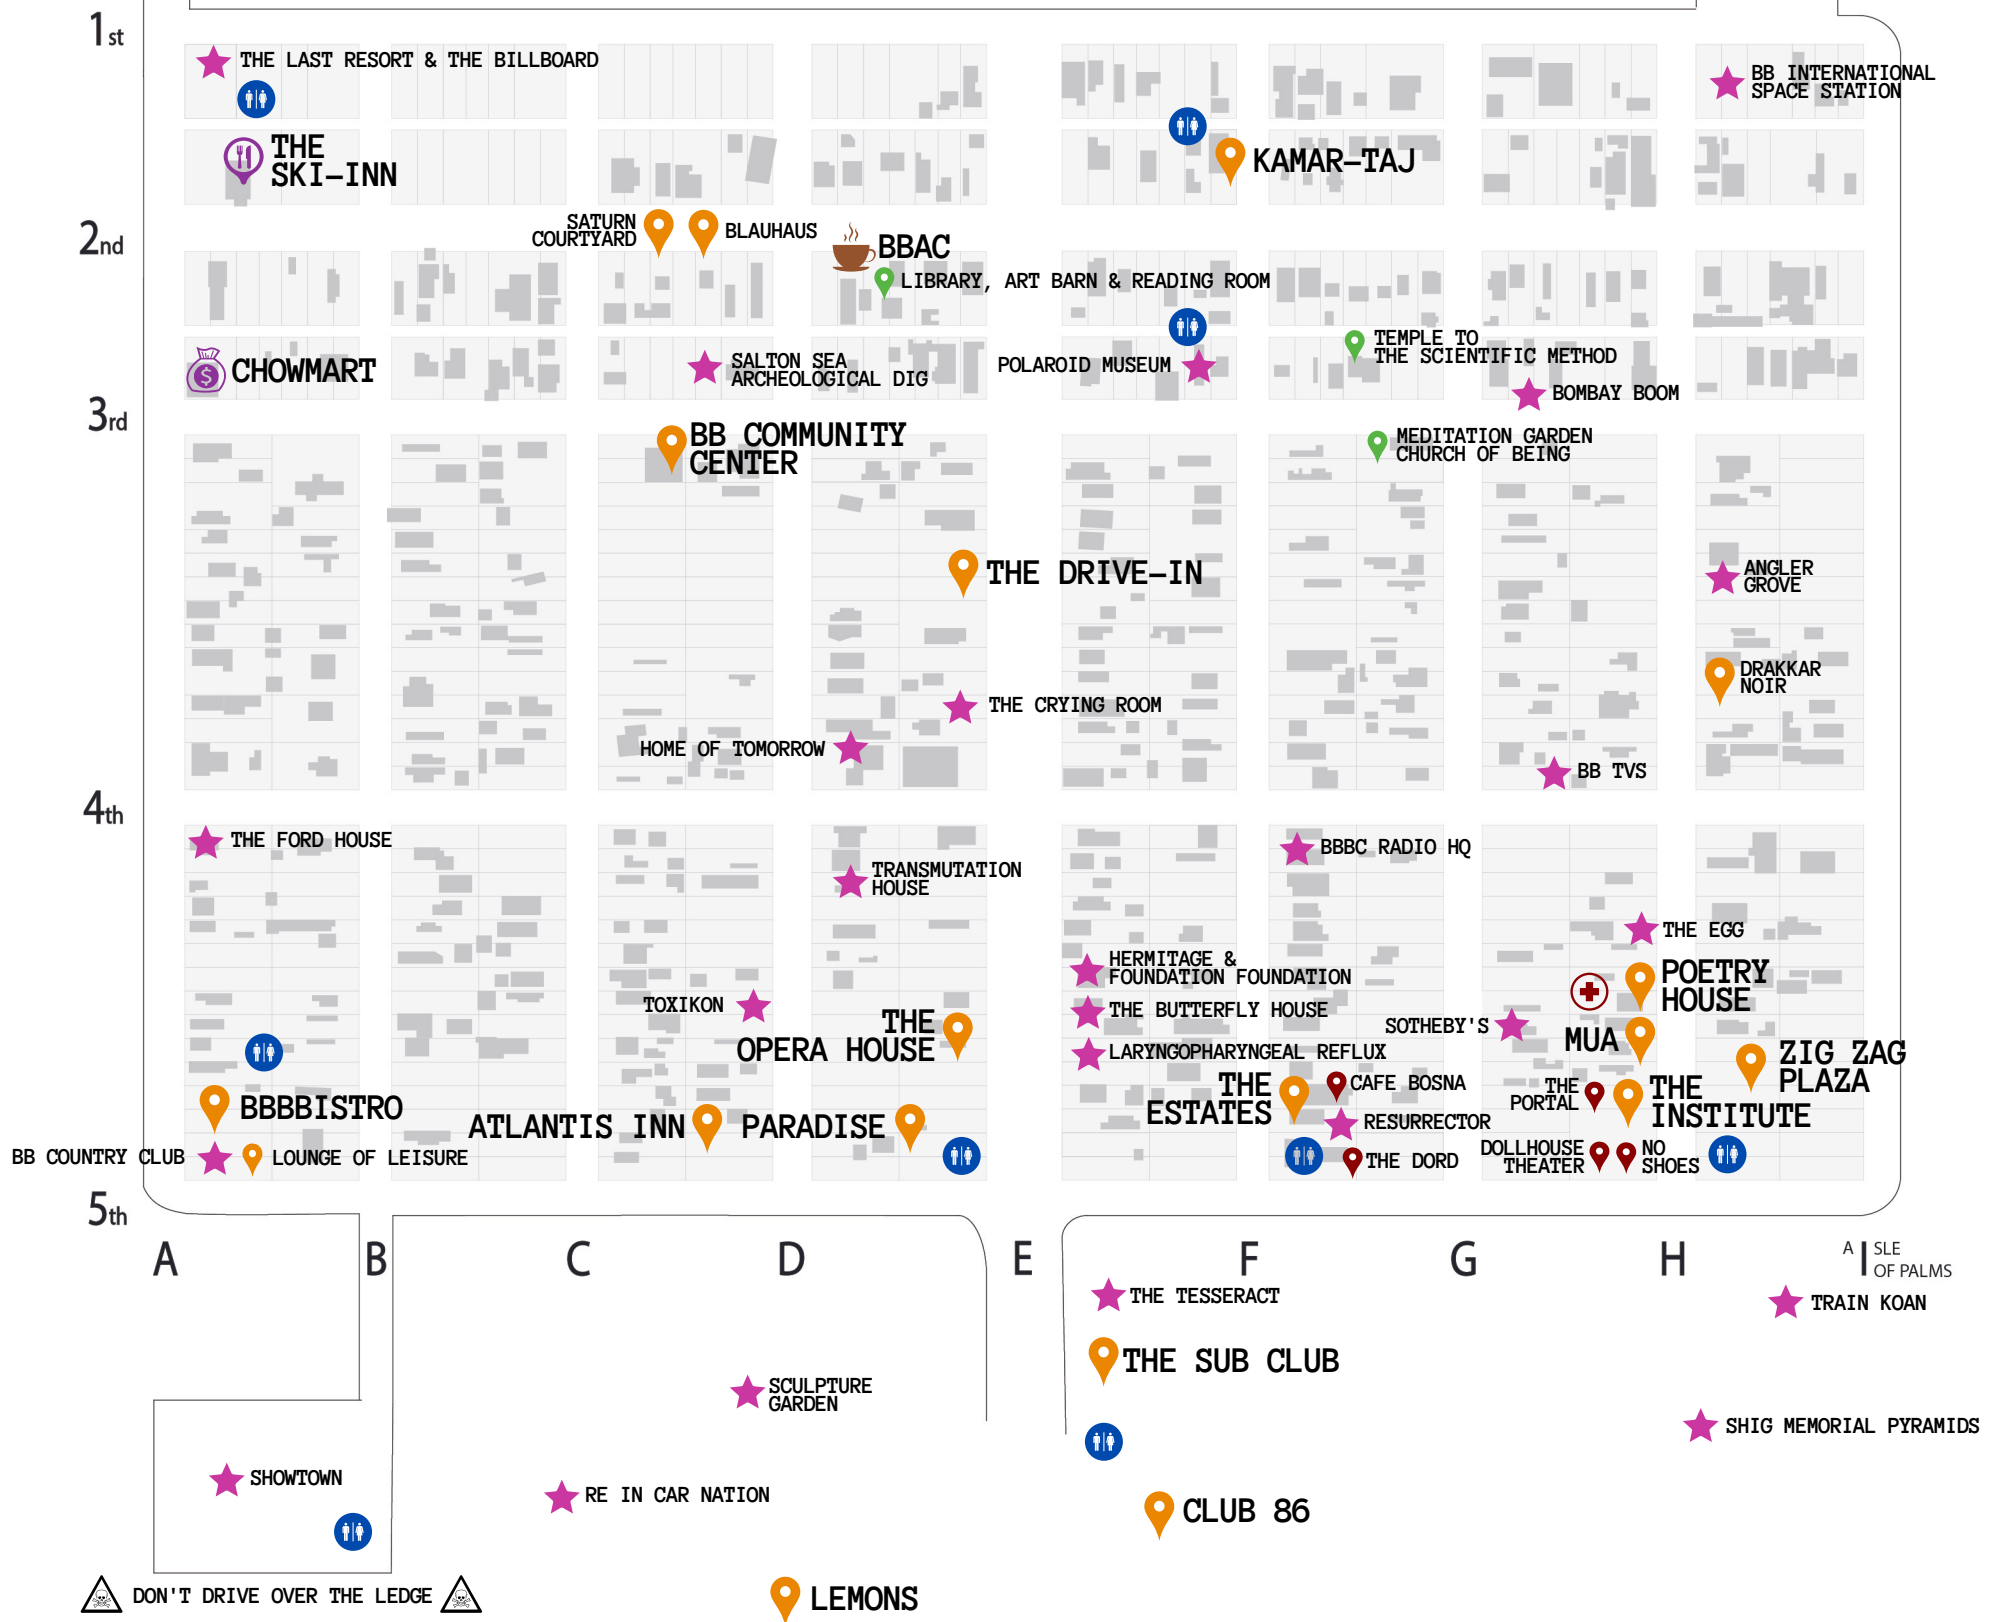

LAND ACKNOWLEDGEMENT

We acknowledge that the land on which we now stand is the land of the Torres-Martinez Cahuilla Band of Indians, the original sovereign tribe of Lake Cahuilla. We also want to acknowledge the Agua Caliente Cahuilla, with whom we are grateful to have a relationship through the Temalpakh farm.

Land acknowledgements are commonplace, and often take the place of healing and dedication to repair. The organizers of the Bombay Beach Biennale understand that acknowledging we are on stolen land is not the same as reparations. Learn more about the Torres-Martinez Cahuilla at www.torres-martinez.com

P Please park before you enter town.
We'd love Bombay Beach to be a car-free zone this weekend.
